2017-2018 SCHOOL YEAR

EDITION 2—AUGUST 23, 2017

ATTENDANCE POLICY

The school office has had some questions about attendance, and tomorrow night you will get the Parent/Student handbook at the Back to School Night which outlines the official policies. But just a reminder, if your child is going to be missing any or all of a school day, the office is who you need to contact about their absence. If they are going to be late, going to be picked up early, or are going to be home for the day, the office marks their attendance. Please call in or email the attendance line every day your child is absent by 9 am so that we know your child is safe.

PALS CORNER

The PALS Board would like to thank all of the families who have signed up for their PALS Commitment or chosen the service substitution fee for the 2017-18 school year. If you have not signed up or chosen the fee, your last chance to do so will be before the Back to School Night. The PAL's Coordinators will be on the Ramada from 6:00 - 6:30 on Thursday, August 24th with a listing of the open PALS positions. After August 24th, if you have not chosen a PALing position, you will be charged the service substitution fee.

TURNING IN PAPERWORK TO THE OFFICE?

It is very important to include student/family name on all correspondence to the office. There are several families with the same last name, or different last names from their students. This is especially important for any checks you write to the school. For example, if you are using a business check, we do not know of any connection between your business and your family account. This would also pertain to individuals who are paying for tuition on behalf of your student. Please also include a memo of what the check is for: sports fee, tuition, field trip, etc. Thank you!

COUGAR ATHLETICS

Sports season just started up, but it's not too late to join! Make sure you have an up-to-date physical, completed sports packet, and sports fee into the office! Athletes, don't forget to bring a water bottle and athletic clothes! The first season sports meeting will be August 31 at 5:00 pm in Nicholson Hall! Coach Schwab will explain how the season works, introduce the coaches, as well as hand out schedules! If you cannot make the meeting because of scheduling conflicts, please meet with Coach Schwab!
